Hello Parents!

I want to take a moment to introduce myself. Some of you may know me, as I have been at Gomes School for YEARS but I am sure that there are families whom I haven't met YET!!! ☺

My name is Kim Daniels and I am a School Adjustment Counselor at Gomes School. I have the pleasure of working with the students, teachers and families of the 3rd, 4th & 5th graders!!!

When I visit your child's classroom, I explain to them what my role is at Gomes. I explain to them that as a School Counselor, I am available to meet with them, with their parents and teachers...to try and support them to be the best students that they can each day! Some days are easier or better than others....some days can be just plain tough.....there's a lot, for kids of all ages, to balance. Sometimes students...AND their parents...just need to talk, a little or a lot. I do my best to listen, support, help problem-solve and offer strategies to move forward.

As a School Counselor, I also talk with parents about any issues that they think might be affecting their child's social, emotional or academic performance.

If you have any questions or would like to talk with me about your child or issues impacting your child, please contact me at Gomes School at (508) 997-4511 ext 46026 or by email: kdaniels@newbedfordschools.org.

I look forward to meeting and getting to know you and your child this school year!

Warmly,

Kim Daniels
